

CLUSTER VITALITY CONNECT

Agnes Mary Tiong, Cluster Lead, ALPS-NHG

INTRODUCTION

ALPS-NHG Cluster team members are co-located in 6 sites within the NHG cluster. New hires may have questions and be interested to know fellow team members from other sites to form community amongst themselves.

OBJECTIVE

To welcome and enable quicker assimilation of new hires into the ALPS- NHG Cluster Family.

METHODOLOGY

Cluster Lead to host and facilitate sessions in an informal setting where new hires across all grades can ask questions either on the organization or areas that they need clarification on. It is also a forum to share more about themselves – both on their professional experience as well as some interesting aspects of their personal lives.

The Cluster Vitality Connect is to be held on a quarterly basis.

RESULTS

A greater connectivity and inclusion of new joiners into the ALPS-NHG work environment.

CONCLUSION

The Cluster Vitality Connect is an avenue where new employees interact with Cluster Lead and know one another within the ALPS-NHG Family.
