

**To save your poster in high resolution, please follow the steps below:**

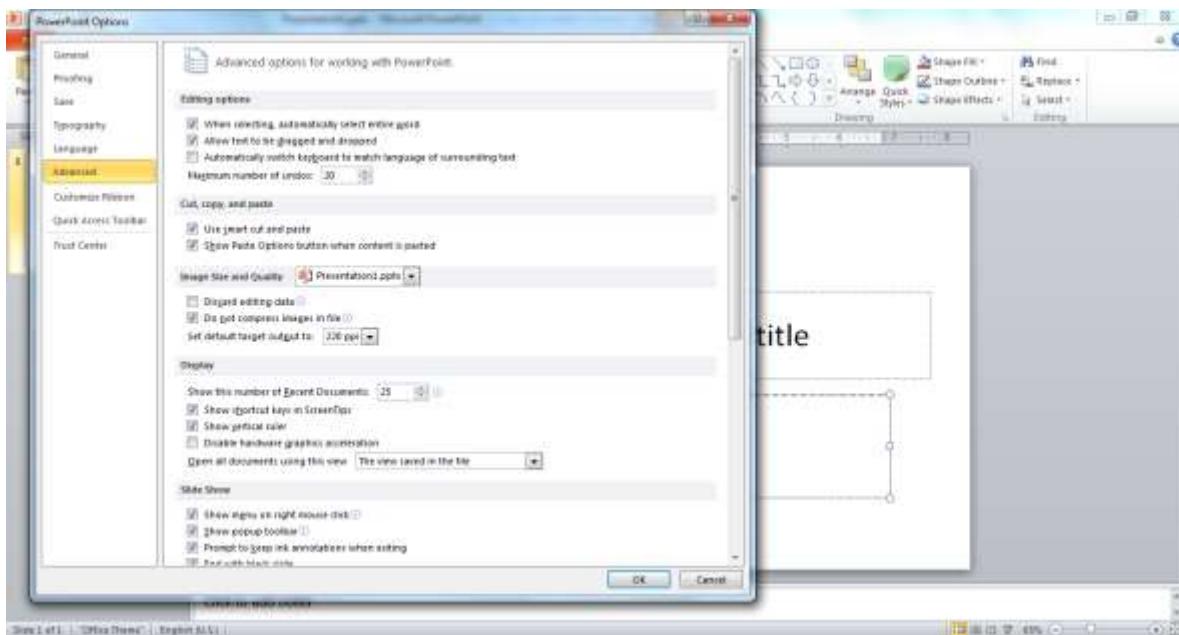

Step 1: Select *File* and *Save As*

Step 2: Click on *Tools* and select *Save Options*

Step 3: Click on *Advanced* button on the left, under *Image Size and Quality*, check the “*Do not compress images in file*”. Ensure that the default target output is set to 220 dpi

Step 4: Please proceed to click “Save as Adobe PDF”.
