

Transcending boundaries from Europe to Asia Pacific

Incepted in UK, Accord Healthcare Ltd. is a dynamic global pharmaceutical company, involved in the development, manufacturing and distribution of pharmaceutical products over 85 markets around the globe. Accord is one of the fastest growing companies in the European generic sector.

As part of the Intas group, Accord owns all aspects of the pharmaceutical value chain from lab scale production and API development, significant clinical trial capability to world class manufacturing sites. Fulfilling its quest to bring quality and affordable healthcare to patients across the world, Accord is now set to make its mark in Asia Pacific.

- Manufactured at well accredited world class manufacturing plant
- Commercialized globally in many markets including US & EU
